

Lesson 180: Observe, reason and explain

Read the evidence carefully. Explain what you noticed, compare two possible answers, and test your reasoning with a partner. This is production audit page 180.

LEARNING TARGETS

Learning targets for Page 180

- ☐ Identify and analyze key patterns accurately
- ☐ Apply standard problem-solving strategies in context
- ☐ Explain mathematical reasoning clearly using visual models

Lesson 181: Observe, reason and explain

Read the evidence carefully. Explain what you noticed, compare two possible answers, and test your reasoning with a partner. This is production audit page 181.

Lesson 182: Observe, reason and explain

Read the evidence carefully. Explain what you noticed, compare two possible answers, and test your reasoning with a partner. This is production audit page 182.
